CYAA 2018 Winter Series Race 2 May 6 RMYS

May 3

Welcome to the Second race of the CYAA (Vic) 2018 Winter Series on Port Phillip

Race Two information

Race 2 Sailing Instructions Rev 2 May 3 plus the Race 2 entries with their allocated handicaps Rev 1 are now available. Note. The Race 2 SI's for RMYS conducted races have been revised. The revised para's are noted on the Race 2 SI cover page.

These Sailing Instructions for the 2018 Winter Series races conducted by RMYS are a new series of SI's. The reference to the RMYS H Mark in the 2017 RMYS SI's start and finish line descriptions has been removed from the 2018 RMYS Sailing Instructions. Comments from the RMYS Race 1 director indicate the saying that if your want to keep a secret put it in the Sailing Instructions isn't far from the truth. Let's see what happens in race 2 at RMYS.

Welcome return to CYAA racing on Port Phillip.
