

## Twenty fourth consecutive year of Classic Yacht racing on Port Phillip

### CYAA 2019/2020 Summer Series

#### Race One Sept 29 at HBYC

How time flies.

It's all set, 10:30 am tomorrow Sun Sept 29. Race one documentation has been passed over to HBYC Race Committee. The start list has been passed to Alistair Hart of HBYC in prep for receiving the POB racing SMS from each starter and generating race results. Entry sheet has now gone to RYCV for results publication on their web site. After the handicapper has determined the results are suitable they will first go out to the SMS phone numbers.

So far the forecast weather for Port Phillip is staying on our side.

#### RMYS Access fun

Traffic and site access havoc on Sunday for those CYAA people from RMYS is predicted. The Listen Out event in Cantini Gardens and West Beach is a monumental set up. Yesterday's freezing gale winds on St. Kilda's foreshore were an endurance test for the promoters and some of the 16K ticket holders, particular in the evening.

### 24<sup>th</sup> year of Classic Yacht racing at its best

Watching the Race One Classic Fleet as they cross the Race one start line will be another great moment in the 24<sup>th</sup> year of Classic Yacht racing on Port Phillip.

#### 2019 Cup Regatta

[Notice of Race](#) and [entry form](#) including the [2019 Cup Regatta program](#) with Presidents welcome message is now posted. Entries already being booked.

#### It's time to live again.

Those sirens of 10:30am Sunday are calling.

Best wishes to our Race one fleet, their skippers and crews.

Regards to all
