

Presented by Phillip Brown **Anitra V**

Greetings Gentlemen,

I am pleased to report that the CYAA was given a very solid wrap by David Champtaloup in his prize giving address on Sunday afternoon. David acknowledged that the inspiration for the pre Hobart Race Classic Regatta came from the success of our jointly organised Admirals Cup 50 th Anniversary Regatta - which in turn was the inspiration of the CYAA, most specifically Martin Ryan.

Three copies of the 42 Boats arrived by Friday afternoon so I was able to give David Champtaloup the copies before the prize giving ceremony.

The old boys “scooped the pool”, with Gordon Ingate on **Jasnar** winning the No. 2 Spinnaker Division and Jim Hardy winning the non spinnaker division on **Nerida**. Gordon sailed **Jasnar** in the 1950 Hobart race and recently rescued and refurbished the old boar which was in a much neglected state. The boat belonged

to Colonel Saalfeld who put one condition on the 25 year old Gordon. He had to include the Colonel’s daughter Nina in the crew. When they arrived in Hobart Gordon sent a telegram to the Colonel asking could he marry his daughter. The reply came back instantly “Which one?”

Mark I think there’s a story for your Helm website in **Jasnar**.

**Nerida** of course also was returned to the Hardy Family after a long absence. With the reaching conditions “soldiers course “ on Saturday **Nerida** went like a rocket with her huge gaff mainsail and same again on Sunday. There’s another story in **Nerida** and Gentleman Jim for you Mark. It has been told many times but is worth another run with a different slant. The two old boy winners in this regatta makes for a great story in itself.

The 3rd winner overall of Division 1 Spinnaker Division was Nicole Shrimpton’s 8 Metre **Defiance**, the Digby boat before **Frances**, sailed by Neville Whitty of Yngling fame.

A CYAA note worthy of mention is that both Nicole Shrimpton owner of **Defiance** the Div One winner and Jim Hardy (AO) owner and skipper of Div Three winner **Nerida** are CYAA members.

Am back home from Sydney having arrived tonight and will endeavour to put together a story for you about the regatta with some photos. The CYCA had a photographer out in a RIB so they will have some good pics. We also took some on **Anitra V** so will review those for you and forward.

A pity you guys were not here for it. We are allowing Victorians into NSW now I think. Make an effort to have Melbourne members participate next year - it's becoming an annual event. As with the Cup Regatta we will find berths for you all.

Cheers Philip

Gordon Ingate skipper of Jasnar reviews Mark Chew's 42 Australian Wooden Sailing Boat's publication

All 3 Division winners were presented with a copy of 42 Boats. I think I can deliver several new members for CYAA as a result of publicity at this regatta. I have sent out several membership application forms - David thank you.

**Anitra V** came 4th overall in No.2 Spinnaker Division. We all had a great weekend of sailing and the fleet provided a grand spectacle on Sydney Harbour on both days.
