

Classic Boat Awards 2024

Voting now open! You may vote once in as many or few categories as you like. Voting closes on Monday 11 March at 10am, GMT.

YVONNE

Designed by Knud Reimers, Built by Charlie Peel, 1938, 27ft 3in (8.3m), berm sloop

Restored Sailing Vessel under 40ft (12.2m)

This is for the restoration of a sailing vessel under 40ft (12.2m) LOD, launched in the last 12 months. It is for the 'best' restoration of the year, but unlike traditional concours d'elegance awards, 'best' could take into account other factors, such as an inspiring story. Your reasons for voting may vary from the technical to the emotional!

One of the Melbourne Tumlares, *Yvonne* was rescued by Tumlare sailors Roger Dundas, Ferdi Darley and syndicate. All but the hull was gone and the syndicate worked long and hard to bring *Yvonne*, with an unparalleled racing history among the Melbourne fleet, back to her original racing glory. Featured in our August 2023 issue.
