The Guineas Cup.

Our traditional kick off Cup Regatta racing is the Invitational Guineas Cup Team Racing is all set to happen at 3:00pm on the Friday Nov 3.

The teams format will be 2 pairs of Classic yachts, 3 pairs of Tumlarens and Dragons and 2 pairs of Elliots, the RYCV Sail trainers, for racing between our CYAA and the CYANZ visiting members. No doubt a busy time for the race official with 3 sets of 20 minute races for each team division.

While we have the Classics/Tums and Dragons teams organised, there's a call out for CYAA members to make up 2 of the Elliots teams. Let you handicapper know if your all clear to make the Friday afternoon on the Elliots your life's priority

There's also a call out for a ticketed CYAA member who's a glory boy that likes to put the foot down hard. The twin outboard engined **Party Boat** is looking for a skipper throughout the Regatta. The **Party Boat** will be the Cup Regatta on water and up close viewing platform. With an on board stocked frig and working toilet what can go wrong.
