2018 Cup Regatta vale`

So long 2018 Cup Regatta. We have members knocking on the 2019 Cup Regatta entry door.

2018 Cup Regatta survey

By now recipients of this mail out would have been received our 2018 post Cup Regatta survey. 30 seconds is all it takes to answer what appears to be simple but very leading queries. Make no mistake, all responses will be analysed for guidance on the production of our 2019 Cup Regatta. Your Cup Regatta committee will be working to stop on top of the current and future Cup Regatta climate. It's all about maintaining the momentum of our Association going forward on a national basis and keeping that love of our lives, our Classic Yachts happy and up to scratch in their race trim form.

2018 Cup Regatta Story

The Cup Regatta story is waiting on some people pics. ASAP after receiving these pics the wrap up story will go out.

The timing of the Race 3 notes and documentation being sent out is the new priority.

Regards to all, Peter Costolloe, CYAA (Vic) Handicapper
