Non financial CYAA members

A note has been received from the CYAA Treasurer informing there's a substantial number of local CYAA members who need to fix up their subscription renewal. We're required by the Vic Govt. Incorporated Association regulations to remove members who are in excess of two years arrears. So for those members this detail need sorting out fast. We need our membership to be strong when facing up to our race conducting clubs and Sailing Australia.

Sunday 1st August conditions forecast

Current Met Eye forecast looks OK for Sunday. Rug up is the word. The Gale force conditions forecast for today and Saturday are not happy reading Looks like we were spoilt by those brilliant Race 3 conditions.
