Grandfather Time has called time on CYAA Cup Regatta

2022 Cup Regatta Reception

Tonight at 7:00 pm is the time for the official launch of our 17th Cup Regatta.

The Royal Victoria Motor Yacht Club is the place for our gala Cup Regatta reception.

Two feature events for tonight's reception.

Life Membership recognition

First is the presentation of Life Membership scrolls to recognise the contribution by Doug Shield, Col Anderson and Martin Ryan that brought the CYAA into its 26th year of its mission to sustain the ethos of classic yachting in Australia and internationally.

Welcome back to our CYANZ visitors

Second event is to extend a welcome back to our CYANZ visitors. Since our Cup Regatta began in 2007 our Kiwi's friends have always been here to support us. So welcome back to all our visitors from New Zealand

Cup Regatta race news.

For entry number reasons Divisions one and three will start together. The posted Notice to Competitors provides details of the warning and starting signal time changes.

The Race 5 start time is now set for 10:30 am for first boat off. Race 5 start times will be published on Sunday evening. Earlier if possible. An NTC to cover this Race 5 start time will be published when available.

Any decision to delay or abandon races will be made on the day. The forecast for Monday is looking rough.

Cup Regatta course descriptions

A laminated copy of the Cup Regatta course descriptions will be provided in the waterproof satchels for each entrant. The reverse side of the description has the course mark location map and QR codes for boat racing sign on, Sailing Instructions and race results when available.

Cup Regatta boat flags and a CYAA burgee for those who ordered one are also included in the satchel.

Satchels will be passed out at the Cup Regatta reception. Arrangements will be made to pass on satchels that weren't picked up at the Cup Regatta reception.

Cup Regatta trophies

The allocation of Tony Blake trophy points will be based on the results. Of Races 1 to 4 only.

We have a new trophy for the Tumlarens. We'll use one of our Digby Family Trophies restored for us by Bill Chittenden from Vic Sail. to recognise the Tumlairen Fleet one design result over the first four races.

Tumlaren Yvonne

The feature of our Cup Regatta will be the first time we have the Tumlaren Yvonne competing. It's been a big project to have her with the Cup Regatta fleet. Her restoration story will be for another time but thanks to the team headed up by Roger Dundas. The Tumlaren fleet competing in this Cup Regatta is a feature that puts our Cup Regatta high on the world stage of classic Yachting.
